Size (mm)	460 (W) x 500 or 520 (L) x 144 (H)
Weight (kg)	2.7 kg
Way of connection	Direct connection to tap water

WARRANTY

USPA Personal Hygiene Appliance Limited Warranty.

- We warrant our products to be free from manufacturing defects under normal use and service for a period of two (2) years from date of your purchase. Only the ORIGINAL PURCHASER you may make a claim under this limited warranty.
- Our obligation to you under this warranty is limited to repair or replacement, at our option, of defective products or parts, provided that the products were properly installed and used in accordance with instructions. We reserve the right to make inspections in order to determine the cause of the defect. We will not charge for labor or parts in connection with warranty repairs or replacement. We are not responsible for the cost of removal, return and/or reinstallation of products.
- This limited warranty does not apply to:
a) Damage or loss from a fire, earthquake, flood, storm, etc
b) Damage or loss resulting from any unreasonable use, abuse, negligence, or improper maintenance.
c) Damage or loss from improper installation, removal, repair, or modification.
d) Damage or loss resulting from sediment or other matters contained in your water system.
- This warranty gives you specific legal rights.
- For warranty or service information, please contact your dealer where you bought this appliance or us.
- Only the original purchaser may submit a claim under this limited warranty. To activate your warranty, complete this form.
- This limited warranty is our only warranty covering your product. Repair or replacement as provided under this warranty shall be the exclusive remedy available to you. We shall not be responsible for loss of the product or for other incidental, or consequential damage or expenses you may incur or for labor or other costs due to installation or removal, or cost or repairs by others, or for any other expense not specifically stated above. Except to the extent prohibited by applicable law, any implied warranties, including that of merchantability or fitness for use, are expressly limited to the duration of this warranty.

※ Warning! We are not responsible or liable for any failure of, or damage to, this plumbing product or product component caused by in-tank bowl cleaners containing chlorine(calcium hypochlorite).

※ Note : The use of high concentration of chlorine related products can seriously damage the fittings. This damage can cause leakage and serious property damage.

For more information, please contact your dealer or us.
